

## 2018 Sponsorship Opportunities

The Desk and Derrick Club of Dallas is a member of the Association of Desk and Derrick Clubs (ADDC), a non-profit educational organization whose purpose is to promote the educational and professional development of individuals employed in or affiliated with the petroleum, energy, and allied industries. Founded over 60 years ago, ADDC has over 2500 members internationally, and works to enhance and foster a positive image to the global community by promoting the contribution of the petroleum, energy and allied industries through education.

Members of the Desk and Derrick Club of Dallas are experienced professionals in various energy disciplines, including management, engineering, land, accounting, geology, public relations, and operations among other fields. We offer our members programs which include monthly meetings with educational speakers, seminars and other educational opportunities including field trips, ADDC Regional Meetings, and the ADDC Annual Convention.

One of the many important things the Desk and Derrick Club of Dallas does annually is to help provide college education through the Georgia C. Midgley Scholarship Fund. Multiple scholarships are offered to outstanding students studying in the petroleum, energy and allied industries. Scholarships are flexible depending on the qualifications of each student and are available to both graduate and undergraduate students. Sponsorships and the Oil Patch Classic Golf Tournament are our two biggest fund raisers for this scholarship fund.
